

Each Ph.D. student has to absolve one seminar in each year of the study:

1. 1st and 2nd Year of the study

- The presentation takes place on the seminar of the department (B3, Wednesday 13:15-14:45) or at the Kokomo seminar.
- The presentation (in English or in Czech) should have the form of a grant proposal (background, aims - including testable hypothesis if possible, methods, time schedule).
- The date of presentation is arranged by Jana Maxerova or Petr Klimeš (Kokomo seminar)

2. 3rd and 4th Year of the study

- Presentation has to undergo on the "Ph.D. conference".
 - **"Ph.D. conferences" will be held in the last week of the winter as well as summer semester (on Friday or/and on Saturday).**
 - The presentation (in English) should have the form of a standard conference paper (the emphasis is laid on speaker's own results). Time for the presentation is 12 minutes.
 - Three best presentation will be rewarded (5000, 3000, 1000 CZK; all participants of the conference can vote).
